

Offer for Local Communities

From: 22/July/2010

Agileeee is interested in attracting local Agile communities from the Eastern Europe to participate widely in the conference.

This is one of the conference mission (see <http://agileeee.org/about-the-conference/>) - "to bring together specialists from the Eastern European countries who are interested to learn from each other's experience in adopting Agile".

Agile communities are run by key people who play grand role in spreading agility, and this offer is designed for those people to benefit their communities by cooperating with Agileeee.

The offer

Agileeee is offering to the local community:

1. Information section about the community at www.agileeee.org
This can include logo, description, contact information, url links, etc - any material provided by the community.
2. Logo placeholder on the home page in "Supporting Communities" section (analogous to "Sponsors" placeholder)
3. Discounted tickets for the main conference program October/8-9
 - a. free attendance for the community leader once minimal threshold of five registrations&payments are received
